Office Policy (please read)

We will help prepare insurance claim forms and assist in requesting reimbursements from insurance companies on behalf of our patients. Not all services may be covered by dental insurance and every plan has its own unique quirks and exceptions. We will do our best to help you clarify your plan. **However, it is the patient's responsibility to understand his or her own dental insurance benefits. Unless otherwise agreed upon, services are to be paid for at each visit as they are performed.**

Please help us in providing the very best of service by remembering that once you have made an appointment this time is reserved for you. Therefore, we require a minimum of **48 hours notice (2 business days)** if an appointment must be cancelled or rescheduled. **A fee may be charged for cancelled or missed appointment without sufficient notice.** Please note that insurance companies do not cover fees for broken appointments. Therefore such fees are the patient's responsibility.

I authorize Willowdale Endodontics to perform all dental or diagnostic procedures agreed to be necessary or advisable, including x-rays, photographs, and the use of local anaesthetic or other medications as indicated. I understand that if I miss an appointment or provide less than 48 hours notice to cancel or reschedule an appointment, I may be charged a cancellation fee. I assume full responsibility for fees associated with my dental treatment and those of my dependents. I have read and fully understand the above conditions of treatment and I accept my responsibility as a patient at this office.
